FOCUSED ON BELLEFIELD'S TENANT AMENITY, PROGRAM AND EVENT UPDATES

ALL INFO CAN BE FOUND ON OUR WEBSITE

A Real Community Event: Be a Part of it Sept 9th!

Cancer is one of the most frightening words in the world, as is diabetes or any other very serious illness currently without a cure. These devastating diseases require support and coping strategies for those affected as the search for their cures continues. When we were approached by our tenant, City of Hope, a world leader in the research and treatment of cancer, diabetes, and other serious diseases, to look at ways Bellefield could philanthropically contribute to a worthy organization, we jumped at the chance. It was an exciting beginning to an event we are hosting called the **Bellefield Try-Athlon on Friday, Sept 9th from 4-8 pm.**

The event will feature the opportunity for individual participants or teams to try

stand-up paddleboarding (also called SUP), kayaking, hybrid biking and run/walking while supporting **City of Hope**. We've organized what we know will be an amazing inaugural event and would love to have Bellefield tenants be a part of it. We especially like that the event is hosted right here at Café Overlook Park on a Friday summer evening and includes entertainment while also being a family friendly venue with the Quest Children's Museum setting up a play area just for participants' kids. Here are some more highlights:

- Beer/Wine Garden with Live DJ
- Café Dilettante Grab'n Go Summer Dinner Selection
- Favorite Bellefield Food Trucks
- Special Vendor and Exhibitor Giveaways
- Prizes for "TRY-ing"

We hope you'll support and join us! \$30 is the entry fee and includes a T-shirt, swag bag and a beer garden token and event passport.

Maybe it's chess, Fantasy Football, a special video game, a young professionals group, alumni group or even a Lego challenge. If you've got a group you are part of or would like to form, please let us know so we can discuss planning some hosted meet-ups your group could benefit from.
