FOCUSED ON BELLEFIELD'S TENANT AMENITY, PROGRAM AND EVENT UPDATES

ALL INFO CAN BE FOUND ON OUR WEBSITE

Summer Inspirations are Everywhere at Bellefield

Bellefield's Programs Department subscribes to lots of media: 50 website alerts; 17 Instagram feeds; countless Twitter channels; lots of Facebook friends (this group has really grown lately!) and all kinds of Northwest-based magazines, e-newsletters and Seattle and Bellevue City notifications. It's especially fun for us on staff who are Washington state natives to see what new inspiration these media outlets have decided to feature as the ultimate summer guide. Seattle Magazine, a great magazine to help WA natives and newcomers get out and enjoy the area, is featuring a full summer guide this year. As we were flipping through the activities, we couldn't help noticing that most of the adventures and experiences they celebrate can be similarly experienced by our tenants right here in our own backyard. From outdoor concerts, gardens that have zen and art appreciation to enjoying the perfect cold brew or hand batch icecream, having an outdoor picnic or trying a Stand Up Paddleboard, it's all really here at the Park. After comparing all of the featured activities in the magazine, Bellefield offers many of the same, and all at low or no cost to our tenants. We decided to produce a comparative listing from Seattle Mag's comprehensive list and Bellefield's equivalent below so you can see all the amazing inspiration waiting for you right here as soon as you step outside your Bellefield office building! Wear sunscreen and enjoy your summer. See y'all on the Bocce Ball Court soon!

We're excited to bring back on-site auto detail services to Bellefield and pleased to introduce you to our new provider Trufant Auto Detail services, a service founded in 2012 <http://www.trufantautodetail.com/> by former Cougar and Seahawk Marcus Trufant. After Marcus retired as a Hawk and set up his Foundation, (Trufant Family Foundation), he started exploring business opportunities. Lucky for us, his auto detail company has a mobile division in addition to his Bellevue Auto Salon. Appointments to book Auto Detail services starts this month in June. Marcus will join us for a meet and greet June 20th along with Wrench Auto Mechanics. Now, there are no excuses not to have a shiny, clean and well-maintained car! The Dilettante Mocha Café at Bellefield is featuring the MOST beautiful and delicious photos of some of their very special desserts, beverages and meal items posting to Instagram. Check them out and satisfy your eyes as well as your appetite. Eye candy = free calories!

Community Blood Drive - Yes, You can save a life

Bellefield now has the opportunity to host an annual blood drive here at the Park just once a year. So we really want to make it a fully scheduled visit for Bloodworks NW. The mobile van will be onsite on **June 12 from 9 – Noon** and it will be parked in the Conifer lot. Appointments are available by following this [link](#). With this drive, we are gifting the 16 tenants who donate with a special summer gift bag with a Bellefield insulated cooler cup; a tube of sunscreen and a popsicle mold. Please help us during this drive so Bellefield can stay on Bloodworks NW's annual schedule.

Patio Parties and PaddleBoard Lessons

Now that summer is here, it's time to start planning your summertime outings! Bellefield can offer your tenant group a quick orientation and lesson on how to use the Boat Share and Bike Share programs and give you a quick lesson on how to paddleboard, kayak or stay safe on a bike. Just call Bellefield programs at 425-289-4903 to schedule a group outing. After you do that, you can pre-reserve the lower patio for your group of 10-20 by calling the Mocha café at 425-451-4086 and pre-ordering some beverages or appetizers from their catering menu found here: http://bellefield-officepark.com/wp-content/uploads/2017/01/BELLEFIELD_Catering-Menu_ForDelivery_digital-version.pdf
