

Bellefield's On-Site Dry-cleaning Pick-Up/Drop off Service

Through Bellefield's newest tenant amenity, Bakker's Fine Dry-cleaning Service is now On Call and will come to you directly! It's simple and easy to use this convenient new service.

Here's how it works:

1. Sign up for your account at <http://www.bakkersfinedrycleaning.com/pick-up-delivery/sign-up>
Be sure to reference your office building and address with suite number as your pick up location.
2. Put the items you want cleaned in the express bag Bakker's supplies and call Bakker's for a pick up. (Property Management has some extra bags if you'd like one.)
3. Bakkers' driver will come by, pick up your items and schedule your laundry's return date.
4. Your credit card will be automatically billed and an invoice will be attached to each order. If you have a question or a special request, you can attach a note to your pick up order or contact the driver or store directly.

Sign up now and experience all of what Bakkers Fine Dry-cleaning has to offer and never wait in another dry-cleaning line! Regency Bellefield Holdings LLC and Talon M Management Partners, LLC cannot be held responsible for lost or stolen items.

No drop off or pick up coordination is available through the Talon M Property Management office.
